

*GCYS Practice
Field Information*

- *Please call or set up your practice time with me Coach Bear as soon as you decide on a time. Practice times and fields will be filled on a first come, first serve basis.*
- *There are a limited number of fields and a growing number of teams, so you will likely share a field with another team for practice. Please remember that your practices should be limited to 1/2 the field if two teams are practicing on the same field.*
- *We reserve the right to limit practice times to 1 hour (if needed) in order to accommodate all teams. If we are able to handle 1.5 hour time slots, then those times will be 5:30-7:00 or 7:00 to 8:30. We cannot allow a team to practice from 6:30 to 8:00 unless no other teams have requested that field.*

If you have any additional questions, give one of me a call. Good Luck and have a great season!

*Richard (Coach Bear) Stark
