

Coach Information

Player/Coach ID cards for U11 and above

Each coach/team parent must obtain a small photograph of each player. The photo is to be placed on the back of each individual ID card. The player card and the coach's card must be signed and laminated. If a coach or player's card is not laminated by the first game, the game will be considered a forfeit. It is imperative that all cards are laminated before the first game is played.

Game cards

If you are the Home team coach, you are responsible for bringing and turning in the game card. You must take your game card to the fields behind Fatima and look for the stainless steel box by Sunday evening.

Uniforms

Our club colors for U6 and above are Orange and white. Each player is responsible for purchasing their own uniform. Home teams are to wear the Orange and Visiting teams are to wear the White jersey. Please have your players to always bring both jerseys to every game. In addition to the jerseys, players will also receive one pair of shorts and socks. Cleats can be any color and shin guards are mandatory in practice and games and must be covered by the sock. **SHIN GUARDS MUST BE WORN at all times in practice or game NO EXCEPTIONS.**

Fields

All coaches/parents are responsible for up keeping the fields. It is the coach's responsibility to maintain the fields with the exception of marking the fields. We have hired the fields marking out in GV and TC and hopefully SF will join that in the 2019/2020 season. **COACHES YOU ARE STILL RESPONSIBLE FOR TENDING THE NETS AND TRASH PICK UP. PARENTS ARE REQUIRED TO ACROSS THE FIELD FROM YOUR TEAM, SO PLEASE INSTRUCT THEM TO DO SO**

Calendar & website

A calendar of monthly meetings, tournaments, playoffs, and other information is available on our website at www.gcysoccer.org Monthly meeting are held in Texas City at the Nessler Center. Regular attendance is encouraged and needed in order for our club to be successful. If the coach cannot attend the meeting, please make arrangements with your team to send a representative for updated information and club changes.

The club website is full of useful information and helpful links concerning dates, times, field closures, playoffs, etc. ***Please check the website frequently for updates and new information.***

Thank you for volunteering your time in supporting youth soccer!

Good Luck and have a great season!
