

***GCYS Practice  
Field Information***

---

- Please email and set up your practice time with me Donald Hood as soon as you decide on a time. Practice times and fields will be filled on a first come, first serve basis.
- There are a limited number of fields and a growing number of teams, so you will likely share a field with another team for practice. Please remember that your practices should be limited to 1/2 the field if two teams are practicing on the same field.
- We reserve the right to limit practice times to 1 hour (if needed) to accommodate all teams. If we can handle 1.5-hour time slots, then those times will be 5:30-7:00 or 7:00 to 8:30. We cannot allow a team to practice from 6:30 to 8:00 unless no other teams have requested that field.

If you have any additional questions, do not hesitate to reach out. Good Luck and have a great season!
