

## “What to do with your Game Cards”

GCYS Club would like to **THANK** all our volunteers that will be coaching our children this coming Fall Soccer Season.

IF your team is listed as the **HOME** or **VISTING** team on the schedule you **MUST take a game card with you to your teams game**, before the game is played please fill out the card and make sure **all your players Names, and Jersey Numbers** on the card are correct before giving to the referee. There should be **no hand written player names or jersey numbers on the card, they MUST be printed from the GOTSOCCKER system.**

After the game has been completed, **meet with the referees at mid-field, both coaches must sign the card if you agree with the score and any commends that the referee as written on the card, BAYSA suggest that you take a picture of the card for your records.**

### ***New for this season***

**THEN WINNING TEAMS COACH WILL CALL IN THE GAME SCORE USING THE INFO THAT IS ON TOP OF THE GAME CARD.**

***If the winning coach does not turn the card in, it will be an automatic forfeit of the game!***

***Please note: once the cards are signed by the coaches on the field they are official and the scores and penalty cards will stand***

Then Coaches are responsible for **dropping off game cards** each week no later than 6:00 pm the Monday after your weekend games. **This is for ALL Coaches both Home & Visiting Teams**

Below is a list of your areas scorekeeper and the location of the drop off boxes. If you require any assistance please feel free to contact the scorekeeper for your area for help.

Again the GCYS Board members, Parents and Players all **Thank You** for being a part of the GYCS soccer club and have an enjoyable 2016 soccer season.
