Galveston County Youth Soccer is the largest non-profit youth soccer program in Galveston County with over 1,000 from ages 5 to 18. Membership is open to all interested players and the club is comprised of both recreation teams as well as competitive select teams. The mission of the GCYS Soccer Club is to provide all Galveston County children with an opportunity to learn, play and enjoy the game of soccer.

Most importantly, youth soccer provides our kids with access to physical exercise and to participate in a team sport. In an effort to raise much needed funds to support player scholarships and keep player fees low, the GCYS Soccer Club is instituting a Sponsorship Program to help raise funds by offering businesses and donors with an opportunity to support this widely successful youth sports program in Galveston County.

Every year, we invite local businesses to sponsor our club and teams. Sponsoring our club and or teams is not only a great way to get involved with the community, its also an amazing form of marketing for your business. Our club fields teams from ages U5 thru U19, both recreational and competitive. That means your business will have branding in front of hundreds of people and generate hundreds and hundreds of impressions in the Gulf coast area. With that type pf exposure, everyone will remember that you supported us.

We understand that you have several choices when considering different marketing and community outreach opportunities, but we genuinely believe that this is a great fit.

On behalf of the GCYS board, I would like to thank you for your consideration for sponsorship of Galveston County Youth Soccer and our youth.

Donald Hood
Club President
Galveston County Youth Soccer
