

WELCOME TO BAYSA

The Bay Area Youth Soccer Association (BAYSA) is a member association of the South Texas Youth Soccer Association (STYSA) and resides in its Eastern District. BAYSA manages the competition and gaming of teams in developmental, recreational, and competitive divisions for its clubs. The BAYSA Executive Board is available to assist clubs in these efforts; however, we ask you utilize resources within your own club before seeking assistance from the home association. We suggest:

- Call your home club officer.
- Club officer calls his club president, if needed.
- Club president then calls proper BAYSA officer.

Telephone number listed for BAYSA officers are for use by club officers. Parents, coaches, and others should contact their own club officers for assistance. In any case, please remember that no soccer business should be conducted before 9:00 a.m. or after 10:00 p.m. regardless of the urgency, and as a courtesy, no calls be made to a work place. Our association and club officers are volunteers who generously give their time and expertise to support our youth soccer program.

This handbook is not intended to be exclusive; rather, it should be used as a supplement. We try to keep the information timely and accurate, but, there may be delays between official publication of the materials from the state, national, or other related associations and/or offices, and its appearance or modification in the *BAYSA Handbook*.

US Youth Soccer...The Game for ALL Kids! ®

ZERO TOLERANCE OF SIDELINE MISCONDUCT AND REFEREE ABUSE

BAYSA has adopted a **zero tolerance of sideline misconduct and referee abuse** for spectators. Referees will stop the game, bring both coaches together, and give them a warning for spectator misconduct and abuse. The second time this occurs, referee will end the game. Coaches need to take responsibility and be accountable for management and control of sideline behavior. Referees will need to document concerns and issues so the association's D&P can address problem areas. Referee assault (verbal or physical) could result in a ban from soccer.

The BAYSA website is located at www.baysa.org. This website brings together Association information on administration; the calendar; the *BAYSA Handbook*; links to local, state, and national soccer interests; maps; skills, and forms.

FIELD CLOSURES AND RAINOUTS

Each member club controls the use of fields within their boundaries. Only the club president (or designated board member) can close club fields before the start of regularly scheduled BAYSA game times. It is expected that fields will be closed a minimum of two (2) hours before the affected games as a courtesy to teams traveling to the affected club.

If a significant number of BAYSA member clubs close all fields, the BAYSA Executive Board will evaluate whether or not to cancel the entire Association's weekend game schedule. Finally, if there is an impending weather threat or condition that would affect the entire BAYSA area, the BAYSA President has the authority to announce a complete shutdown of the entire Association's weekend game schedule. If BAYSA finds it necessary to cancel the entire weekend's schedule, each club president will be notified to inform his/her club's coaches by a BAYSA Executive Board member.

RAINOUT AND FIELD CLOSURE INFORMATION

Information through statusme.com on the www.baysa.org

Rainouts: Update the Statusme a minimum of 2 hours before the first scheduled game. Contact the BAYSA Scheduler and the Referee Assignor by email or voice mail before the end of the day.

If no home team game report is submitted to the BAYSA scorekeeper, then the visitor game report will be used as the official game report. Protests of the Scorekeeper's decision may be appealed to the BAYSA Discipline and Protest Committee. Protests must be filed per D&P rules in a timely manner. If a game report is not received, a \$25 fine will be levied against the home team's club. The BAYSA D&P committee is also responsible for determining issues concerning forfeits, and presiding over hearings on protests and grievances. The BAYSA D&P committee shall also track and be the final arbiter (within BAYSA) for issues concerning player penalty points and suspensions.
- B. Objectives. It shall be the objective of the BAYSA D&P committee to interpret and apply the rules of competition in a fair, reasonable, and consistent manner.

Whenever there is a conflict between a strict interpretation of the rules, and fair and equitable interpretation, BAYSA expects the members of the committee to use their discretion and common sense to come to a fair and reasonable result. It is not the intent of these procedures to create a body which is unreasonably harsh in its application of the rules, or that unnecessarily punishes the members of BAYSA.

- C. Members. Each club shall have a representative who will attend D&P committee meetings and represent the member club at all proceedings before the committee. In the event that the club D&P representation is unable to attend any given meeting of the D&P committee, or if the club D&P representative is not able to represent his club at any given proceeding before the BAYSA D&P committee, the club shall send another representative to attend in the place of the regular club D&P representative.
- D. Chair. The BAYSA President will appoint a person to serve as chair of the BAYSA D&P committee. The secretary shall be responsible for making and distributing the minutes of the weekly D&P meetings, as required below.
- F. Meetings. The BAYSA D&P committee shall meet at a regular time and place, at least once a week during the regular fall season. The weekly meeting may be skipped if all, or substantially all, of the games during the preceding weekend were rained out or cancelled. The regularly scheduled time and place of the meetings of the BAYSA D&P committee shall be announced at the BAYSA meetings in July through November, and otherwise publicized by BAYSA (e.g., on the BAYSA website) so that the time and place of such meetings is generally know to all clubs. In addition, the BAYSA D&P committee shall have at least one meeting prior to the beginning of the fall season. The D&P representatives for every member club in BAYSA (or their substitutes) shall attend each of these meetings. It is the responsibility of the member clubs to have someone attend each of these meetings. No business can be conducted at the weekly meeting of the BAYSA D&P committee unless a quorum of greater than fifty percent (50%) of the club D&P representatives are present at such meeting.
- G. Minutes. The secretary shall keep minutes of each official regular meeting of the BAYSA D&P committee. Such minutes shall state who was in attendance at such meeting, which clubs, if any, were not represented at such meeting, and all decisions made at such meeting, including but not limited to decisions affecting forfeits and suspensions. The minutes shall be sent via email to each club D&P representative, club president, club scorekeeper, BAYSA President, BAYSA Scorekeeper, and/or posted on the BAYSA website by 6:00 p.m. on the following Tuesday. Minutes to the club president, D&P representative, and scorekeeper shall suffice as the notification

to be given to clubs who fail to attend a weekly meeting as required below, provided that such minutes include all rulings and decisions made at such meeting which affect the club, any of its teams and/or players.

- H. Suspensions and Penalty Points. The BAYSA D&P Chair will be given notice of penalty points accrued by players, teams, and coaches throughout the season by the BAYSA Scorekeeper. A player or coach is required to serve his or her suspension in accordance with the rules of competition regardless of whether such suspension is noted in the minutes of the BAYSA D&P committee.
- I. Communications. It is the responsibility of the club D&P representatives to report any information affecting their clubs to the president, and any other members of their club that may be affected by a decision of the D&P committee. This includes the responsibility to report such information in a timely manner. It shall be no excuse for any club, team, player, or coach that they did not receive timely notification of a decision or ruling of the D&P committee, (regardless of whether the club D&P representative was present at the meeting where such decision or ruling was made).
- J. Notification of Clubs. In the event that a club D&P representative fails to attend a weekly meeting of the committee during the regular season, and that club fails to send a substitute to represent them at such meeting, the chair of the BAYSA D&P committee shall notify the president of such club before the end of the week, (10:00 p.m. on Friday) by telephone, email or otherwise, of any decisions or rulings affecting such club, one or more of its teams, and/or players. It shall be no excuse for any such club, team, player, or coach that they did not receive timely notification of a decision or ruling of the D&P committee, provided that the chair of the BAYSA D&P committee has made a reasonable effort to notify the club through its president.
- K. Interface with BAYSA Scorekeeper. The BAYSA D&P committee and the chair shall work with the BAYSA Scorekeeper to receive information needed for their weekly meeting and to report rulings and decisions that will affect standings or scorekeeping. The BAYSA Scorekeeper will attend the D&P Committee meetings to provide information on game results. The D&P chair will advise the BAYSA Scorekeeper in a timely manner of rulings and decisions that affect standings and scorekeeping. The BAYSA Scorekeeper shall maintain the original scorecards at all times, and such originals shall be made available if requested by the BAYSA D&P committee.
- L. Decisions. No action shall be taken by the BAYSA D&P committee except upon motion duly made, seconded, and approved by a vote of the majority of the club D&P representatives present at an official meeting of the BAYSA D&P committee. Such meetings shall be conducted in accordance with *Robert's Rules of Order*. The chair of the BAYSA D&P committee shall vote on all issues brought before the committee except those matters that involve himself/herself, his/her immediate family, or team where he/she functions as coach. Issues or games may be voted on in groups or clusters, but there shall be no "standing" votes or decisions to automatically apply the same result to future situations, no matter how similar they may be. The club D&P representatives shall vote on the outcome of all decisions and rulings of the committee. The club D&P representatives shall be encouraged to explain any extenuating or distinguishing circumstances that may be relevant to the committee's ruling on any issues concerning their club, its teams, coaches, or players.

- E. The BAYSA Referee Review Committee is chartered with supporting the Bay Area Youth Soccer Association, in matters involving referees, with a goal of improving the relationships among the referee community, coaches, players, and parents. These responsibilities include reviewing and investigating allegations of improper behavior of a BAYSA referee. Clubs will be responsible for maintaining individual, signed team advancement forms.
4. Should any team qualify for STYSA playoff competition in such a seeding tournament and subsequently refuse to represent BAYSA in playoff competition, BAYSA reserves the right to sanction the coach and/or players of that team through action of the D&P Committee. Sanction, in this case, shall be taken to mean revocation of eligibility to participate in post-season playoffs following the next fall season. Any fines levied by STYSA on BAYSA for failure of a team to participate in post-season play will be passed on to the club.

IX. RISK MANAGEMENT (MEDICAL INSURANCE, GOAL POST INSPECTIONS, CERTIFICATES OF INSURANCE, KIDSAFE PROGRAM)

- A. Medical Insurance. STYSA provides secondary insurance coverage for registered STYSA members (players age 19 and under, coaches, officials, and employees). Information and the claim form are available at www.stxsoccer.org. To expedite the claims, individuals should submit the claim form immediately following any accident or injury and not wait for medical bills.
- B. Goal Post Inspection
- Each club should establish a system for yearly inspection of goals using the STYSA goal post inspection criteria. These criteria, found in the format of the "Goal Post Inspection Form", can be found on the BAYSA website, www.baysa.org. One form should be used for each location that the club is utilizing for practice or game fields. These inspection forms need to be returned to the BAYSA by the annual deadline.
- C. Certificate of Insurance Forms
1. The owners or operators of game and practice facilities are required to provide proof of insurance before allowing member clubs to use those facilities.
 2. The Association or clubs are required to submit a Certificate of Insurance Request form each year for each field complex they plan to use in the upcoming season along with a Goal Post Inspection report for each site. A Goal Post Inspection report needs to accompany each request on an annual basis.
- D. Risk Management Program
- In keeping, BAYSA requires all adult volunteers (coaches, assistant coaches, manager, trainers, volunteer administrators, board members, and staff/employees) over the age of 17 to complete the STYSA background check. Individuals who have not submitted a background check or who fail the background check will not be permitted to engage in any official activities of STYSA and/or its member associations or affiliates. Any person who fails the background check will receive written notice from the STYSA Risk Management Committee.

XI. RULES OF PLAY

A. General Requirements.

1. FIFA laws of the game as approved by the USSF are applicable to all Association-sponsored competitions except as noted in the Rules of Competition.
2. All games played by Association member teams shall be under the immediate jurisdiction of this Association.
3. Each member team is responsible for the actions of its team players, officials, and spectators on or off the playing field before, during, or after a game. Any team refusing or failing to play a game in compliance with Association rules shall forfeit the game.
4. With respect to administrative matters, US Youth Soccer administrative rules shall apply unless otherwise noted herein.

B. Player Eligibility for Games

1. All players must present an official laminated identification (ID) card to the referee prior to participation in any BAYSA sanctioned competition.
2. Playing a game without a valid BAYSA laminated ID card or with an improper ID card will result in game forfeit (3-0) due to participation of an ineligible player unless otherwise directed by the BAYSA D&P Committee. This decision may be appealed to D&P within 72 hours of being posted on the website.
3. The manager, coach, or captain of each team shall furnish the referee, prior to the start of the game, a game report printed from the association's software for this game. Only players and coaches listed on the game report are eligible for participation. A substitution game report may be used if it contains all the game information and is signed by the referee and both coaches.
4. Uniforms for players are mandatory and consist of jersey or t-shirt, shorts, knee socks, shoes, and shin guards. Violations will result in a forfeit unless otherwise directed by the D&P Committee. This decision may be appealed to D&P within 72 hours of being posted on the website. Also included are the following:
 - a. Knee pads and elbow pads are permissible.
 - b. No player, including the goalkeeper, shall be dressed like the referee.
 - c. All goalkeepers must have a jersey that contrasts with their own team and the opposing teams' jerseys.
 - d. Warm clothing, in cold weather, is acceptable provided the jersey is worn on the outside.
 - e. Bandannas of any style may not be worn during any game. Players may not wear a bandanna on their head, legs, or arms.
 - f. It is mandatory that all players' jerseys be numbered with a 6" to 10" number with exception of the goalkeeper, and each player wear the same number throughout the game. Each player jersey must have a number different from every other player jersey on their team.
 - g. No players will be allowed to play with a hard cast (plaster, plastic, or fiberglass), padded or otherwise.
 - h. Socks must cover shin guards.
 - i. No jewelry of any type will be permitted during a game. Medical bracelets or necklaces may be worn provided they are taped to the skin with the medical condition displayed.
 - j. Hair clips, that the referee determines may be dangerous to the players, will not be allowed to be worn during a game.

- k. Uniforms are mandatory by the second regular season game, except in certain extreme hardship cases, which must be approved by the BAYSA Executive Board in advance.
- l. No alcohol, sexually oriented business, or tobacco product advertising will be permitted on player uniforms.
- m. No player names are allowed on uniforms.

C. Game Scoring Forms and Game Procedures

- 1. A game report card from the association's software for the game must be printed.
- 2. Numbers for each participating player must be provided on the game report card.
- 3. The player/coach suspension form for any player or coach serving a suspension will be completed prior to the game and submitted by the coach to the home scorekeeper just like a game report card.
- 4. The game report card (and suspension form) must be given to the referee prior to game time so that the opposing coach can review and sign the forms.
- 5. All players must present an official identification card to the referee prior to participation in any BAYSA sanctioned event. All registered coaches and assistant coaches will present an official identification card to the referee prior to participation in any BAYSA sanctioned event. Playing a game without a valid BAYSA ID card or with an improper ID card will result in a game forfeit (3-0) unless otherwise directed by the D&P Committee. This decision may be appealed to D&P within 72 hours of being posted on the website. In absence of a registered coach, substitute coaches will be allowed with a photo ID. The referee shall check all ID cards, and note on the game report card any player whose member pass (ID card) is not properly prepared (photo, signed, and laminated).
- 6. If the referee decides that a color conflict exists and providing the visiting team is wearing its official team uniform, the home team must change jerseys. If the visiting team is not wearing its official colors and a color conflict exists, then the visiting team must change.
- 7. The referee will complete the game reports and sign both game reports after the game. The home coach will then submit the game report to their club scorekeeper. Game reports not received by the BAYSA Scorekeeper per rule Section V.D. may be subject to a forfeit. (March 2008, March 2009)
- 8. Coaches should contact their club scorekeeper for corrections to the BAYSA website.
- 9. Refer to Scorekeeping (Section V) for additional information including information on game report cards.

D. Minimum Play

- 1. BAYSA requires significant participation in each game by each eligible player. Coaches must make every effort to play each eligible player present at a game one-half of the game unless unable to do so due to player's illness, injury, or for disciplinary reasons. This rule applies to all games (tournaments, seasonal, or post-season play) at the Division II, III, and IV levels of competition. Policy for Super 2 and Division I competition is determined by their respective governing bodies.
- 2. Coaches who violate this rule may lose all coaching privileges. This policy is to be enforced primarily by local clubs. Appeals regarding this rule should be addressed in writing to the club's president. The club has the responsibility of ensuring that such situations are corrected.

3. Playing time is not a matter of protest by an opposing team. If a problem develops in regard to playing time within a club or on a specific team or club, then the assistance of the BAYSA D&P Chair should be requested to help resolve that problem.

E. Sideline Coaching and Behavior

1. When teams occupy the same side of the field, it is the home club's responsibility to choose and designate which end of the field to occupy. Each team is allowed a maximum of three coaches/assistant coaches with the team. Coaching will be allowed only from this side and only from the midfield line to the top of the penalty box on the team's end of the field. All other spectators will be placed on the opposite side of the field. Also, team members will be restricted to the area between the midfield line and the top of the penalty box on the team's end of the field.
2. For games that have both teams positioned on the same side of the field, the spectators shall be positioned opposite the team they are supporting between the mid-field line and the top of the penalty box. They may not go beyond the mid-field line into the other spectator section to cheer for their team.
3. Sideline coaching of players on the field during a game shall be permitted by coaches only from their side of the playing field, along the touchline, and between the penalty boxes. Excessive coaching may be limited by the referee no matter where the source is located.
4. All persons except coaches are required to stay 6-feet back of the touchlines.
5. No verbal abuse or game interference shall be allowed regardless of source. The game may be stopped and the outcome referred to the D&P Committee if such actions continue after a warning from the referee.
6. A coach shall be warned or sent off for the actions of the sideline spectators (parents, friends, etc.). If, in the judgment of the referee, that the coach is without fault in the excesses of these sideline spectators, and if those persons so ordered have left the area, then the referee may permit the coach to remain on the sideline in his coaching capacity. Coaches are reminded that the referee is under no obligation to permit them to remain in a no-fault situation. This rule merely gives the referee the flexibility to allow the coach to remain if the coach is judged by the referee to be without fault. The referee will file the usual misconduct report concerning the incident, making particular note of the specific actions/conduct of the coach during any such incident for the records of the D&P Committee. The coach of record for the team for that particular game will serve any suspension that result from a sideline spectator's send-off by a referee (March 2008).
7. Any person excluding rostered players who receives two (2) red cards during BAYSA league play will be referred to the BAYSA D&P committee action before the suspended person can be reinstated. (April 2008).

F. Forfeits. Any of the following will result in forfeiture of a game.

1. Fielding an ineligible, illegal, or suspended player. "Fielding" is defined as a player dressed and ready to play. The coach will be subject to indefinite suspension by BAYSA and the team will forfeit all games in which that particular player participated.
2. The playing of a boy or girl outside the age limits of his/her team (except for players with approval to play up or down) shall result in the forfeit of all games in which said player participated.

3. A suspended coach or spectator appearing at a game. A player and/or coach who has not served a suspension and appears at a game in a playing or coaching capacity is ineligible and such appearance will result in a BAYSA D&P hearing that may result in sanctions up to and including suspension.
4. Failure to field a team with a minimum number of players per STYSA within 15 minutes of either side of the scheduled starting time of the game according to the referee's watch. It is the visiting coach's responsibility to call and verify game time and location, before each game, with his/her opposing coach. Any team who forfeits two (2) regular season games for any reason other than administrative forfeits (no game report or by D&P) will not be eligible for any BAYSA or STYSA post season play (March 2008).
5. A coach or other responsible adult not present with the team during competition or failure to show up within 15 minutes of the scheduled starting time of the game.
6. The appropriate team not changing jerseys when a color conflict exists. Color conflict is to be determined by the referee.
7. Falsification of a game report.
8. Any team which receives a total of 27 STYSA discipline points during one game shall forfeit said game by a score of 3-0 unless the score was more favorable for the winner when play was stopped, in which case the existing score shall be declared the final score. All play will cease with the third ejection and all players required to leave the field. Final judgment of forfeits resides with the D&P Committee.
9. On the final weekend of the season (or portion thereof), all game report cards must be turned over to the BAYSA Scorekeeper by the following Monday. Any game report card not received by the BAYSA Scorekeeper by Monday will be recorded as a 3-0 forfeit against the team not turning in the game report. No allowances will be made for game report cards received after Monday. (March 2008)
10. Failure to play any scheduled U-10 and under game due to lack of a center referee. Forfeiture of a game may occur at any time before the end of the season and grounds for forfeiture may be brought to the attention of the D&P Committee by any responsible individual affiliated with the Association or a team involved in the game in question.
11. Any game, U9 and older, that is abandoned because of spectators or unauthorized players or coaches entering the field of play, will result in a forfeit for the team whose spectators or unauthorized players or coaches entered the field. If the abandonment was due to teams' spectators, unauthorized players, or unauthorized coaches entering the field of play, the game will be scored as a double forfeit. Teams involved in the game abandonment will be automatically suspended and the game will be referred to BAYSA D&P. (March 2008)

G. Game Protest

If a coach intends to protest a game, he/she must make this intention known before leaving the field, i.e., the coach must notify both the referee and the opposing coach before leaving the field. A game cannot be protested on a referee's judgment call. A game may be protested for the following reasons.

1. An error in applying the laws of the game by the referee.
2. A team playing an ineligible, illegal, or suspended player or players.

3. A suspended coach at the field coaching the team. This does not mean that the coach must then follow through with the protest. It just gives notification of his intentions at this time, and allows the referee the opportunity to write up a usable game report. All protests must be postmarked or emailed to the Chair of the D&P Committee by 6 p.m. Tuesday following the scheduled game from which the protest arises.

Any protest relating to late starts, the grounds, goal post, bars, or other appurtenances shall be entertained for consideration only if an objection has been lodged with the referee in writing prior to the start of the game on the official team line-up sheets. This protest must also be verbally communicated to the manager/coach of the opposing team as well as the game referee.

All questions relating to the qualifications of competitors, interpretation of the rules, or any dispute, shall be referred to the BAYSA D&P Committee. The initial contact for any dispute or protest will be the individual club D&P representative. The club's D&P representative will advise and coordinate the filing of any dispute or protest to the BAYSA D&P Committee and inform the Chair of the BAYSA D&P Committee of said dispute or protest. The BAYSA D&P Committee will convene on the dispute or protest as soon as it is possible. Decisions of the D&P Committee shall be binding on all involved parties unless appealed. For subsequent appeals, refer to the *STYSA Administrative Handbook*.

Game protest forms are available at www.baysa.org. Instructions are on the form.

The fee for a protest or an appeal at the BAYSA level shall be set prior to the beginning of each playing season by the BAYSA elected officers. Fees above the BAYSA level shall be in accordance with the rules of the entities in question. These fees are returnable if the protest or appeal is upheld.

To be valid and eligible for consideration, each protest filed with the D & P Committee must include:

1. Fee in the amount as set by BAYSA prior to the playing season. See Fee and Fine table in the Appendix for current fee.
2. At least two written copies (original plus a copy) of the grounds on which the protest is lodged. Forms may be obtained from your club D&P representative.
3. The written protest must be received by the Chair of the D&P Committee by 6 p.m. Tuesday following the game from which the protest arises. Protest form is located at www.baysa.org.
4. Two copies of any information to be presented by witnesses. The following applies to all protests.
 - a. Upon receipt of the written protest, the BAYSA Chair will call a meeting of the Association D & P Hearing Committee within seven days.
 - b. If the protest is sustained, the protest fee shall be returned.
 - c. Any decision of the Association D&P Hearing Committee may not be appealed.

The Association D&P Hearing Committee has the right to call any or all involved parties to their hearing for testimony, or they may ask for written statements in advance. In any case, they will rule at the end of their deliberations. As a courtesy to all participants hearing, processes will not extend beyond 10:00 p.m.

H. Grievance Procedure

A grievance may be filed for disciplinary action, not for changing the outcome of a game. The proper procedure is as follows.

1. Contact your local club D&P representative of your intent to file a grievance.
2. Grievance will be directed to the BAYSA D&P Chair by your local club D&P representative.
3. The D&P Chair will review grievance and at his/her sole discretion take whatever action is deemed appropriate. At a minimum, all such letters will be acknowledged. Such additional action may include:
 - a. No action required.
 - b. Call a hearing of the Association D&P Hearing Committee.
 - c. Any other action the BAYSA D & P Chair deems appropriate.
4. Any decision of the Association D&P Hearing Committee may be appealed. The first level of appeal is to the STYSA D&P Committee. This must be handled in a manner similar to an initial grievance, with a new fee deposited, and the circumstances detailed in writing by the appealing party. For fees and the STYSA appeal process, refer to the STYSA Administrative Handbook.

I. Suspensions and Probations.

1. Member clubs may institute their own suspensions or probation procedures, but any player or coach who so desires may appeal in writing a suspension/probation by his/her club to the BAYSA D&P Chair upon deposit of the current Association fee which will be returned if the appeal is upheld.
2. Any club enforcing disciplinary action taken on a player or coach must advise the BAYSA D&P Chair, in writing, of its action.
3. A player or coach suspension form will be subject to the same rules and penalties as a missing or late BAYSA game report.
4. Any player or coach suspension form received after ten (10) days will result in a game forfeit, but the suspension served will be acknowledged.

J. Disciplinary Point System.

1. STYSA requires member associations to maintain records on cautions and ejections issued during the Association's sanctioned competitions. STYSA also requires member associations to report these records to STYSA for all teams desiring to participate in any STYSA sanctioned competitions (state, regional, or national levels).
2. In keeping with US Youth Soccer procedures, referees will not actually show warning and/or ejection cards to coaches.
3. Any physical contact with a referee or assigned neutral linesperson by a player, coach, or spectator, documented in a referee's report, will result in an immediate BAYSA suspension, pending review by the STYSA D&P Committee.
4. Each player or coach sent off (red carded) as noted on the home game report card before, during, or after a BAYSA sanctioned game (regularly scheduled or rescheduled game) will serve the game suspension in the next game (regular scheduled or rescheduled game). A Player Suspension Form for any player or coach that is to serve a suspension for this game must be given to the referee with the game report. Game suspensions will carry over to the next year if not satisfied in the current seasonal year. Each player or coach cautioned (yellow carded) before, during, or after a BAYSA sanctioned game (regularly scheduled or rescheduled) will be assigned discipline points as above. A one game suspension will result for each 9-points (discipline points) accumulated by a player or coach as a result of cautions (yellow cards). It is the responsibility of the coach to track

all cautions and execute the game suspension at the next game (regularly scheduled or rescheduled). A suspension will be considered served when a properly completed player or coach suspension form is submitted to the club scorekeeper and received by the BAYSA scorekeeper.

5. Any player or coach receiving penalty points must follow the STYSA progressive penalty point system outlined in the *STYSA Administrative Handbook*.
6. Cards issued at tournaments are not reported to the BAYSA D&P Committee.
7. Team Penalty Points. Any team that receives a total of 75 penalty points will be suspended and must apply with the BAYSA D&P Committee for reinstatement. (March 2008).

K. Reschedules, Inclement Weather, and Field Closures

1. Regularly scheduled games can only be postponed or rescheduled because of (1) inclement weather or conditions, (2) other sanctioned BAYSA soccer activities, or (3) lack of center referee for Division II and Division III 11-a-side games. All teams are required to show up for all scheduled games (regular or make-up) at the field and at the time scheduled unless notified prior to the game by the team's club president.
2. Each member club controls the use of fields within their boundaries. Only the club president (or designated board member) can close club fields before regularly scheduled BAYSA game times. When this becomes necessary, the field closures and rain-out procedures as stated will be followed. The BAYSA Scheduler notifies the BAYSA Director of Referees. If a significant number of BAYSA member clubs close their fields, the BAYSA Executive Board will evaluate whether or not to cancel the entire Association's weekend game schedule. Finally, if there is an impending weather threat that would affect the entire BAYSA area, the BAYSA President will announce a shutdown of the entire Association's weekend game schedule. If BAYSA finds it necessary to cancel the entire weekend's schedule, each club president will be notified to inform his/her club's coaches by a BAYSA Executive Board member.
3. If a game is declared a rain out or is stopped prior to the start of the second half, each coach involved will contact their club scheduler. The club schedulers (home and visitors) will submit to the BAYSA Scheduler, within five days, a list of all games (home and visitors) that are to be rescheduled. Games not submitted to the BAYSA Scheduler will not be rescheduled and will be submitted to BAYSA D&P. The BAYSA Scheduler will reschedule the game at any available open slot of either club's field, first priority to the home club, second priority to the visiting club. If no site is available, a neutral site may be assigned. The BAYSA Scheduler will confirm all reschedules and arrange for referees, if available.
4. All postponed games must be rescheduled within 22 days of the originally scheduled date. Failure to comply with the 22 day requirement may cause the game be forfeited. If a coach has a conflict with the reschedule, arrangements must be made for someone else to coach the team.
5. Coaches will not reschedule a game without adherence to the above procedure. The BAYSA field scheduler will have final authority in rescheduled games.
6. Once a game has started, only the referee can decide if the game is to be called because of the foul weather or possible damage to the playing field. If the game is stopped during the first half of play, the game must be rescheduled and replayed in its entirety. If the game has reached half-time or play is into the second half of play, the game will stand with the score as it is at the particular time. The referee has final authority to postpone a game because of weather and/or playing field conditions.

L. Scheduled Games and Referee Coverage.

BAYSA attempts to assign referees to all matches that the Association schedules. Occasionally, shortages of qualified personnel prevent the timely assignment of a trained referee. In that case, the home club president is notified, for any last minute assignment by the club. Also, occasionally, assigned referees do not arrive at matches (due to car problems, poor maps, illness). To maintain the progress of the season, BAYSA has established the following instructions to its coaches.

1. All Division IV games will be played as scheduled. If a scheduled center referee does not show at game time, the procedure shall be as follows:
 - a. One mutually agreed upon by both coaches to referee all the game, or
 - b. If coaches cannot mutually agree, each team will provide a center referee for half of the game.
2. For Division II and Division III games, if a scheduled center referee does not show at game time, the procedure shall be as follows:
 - a. One mutually agreed upon by both coaches to referee all the game,
 - b. Each team may provide a center referee for half of the game, or
 - c. May be rescheduled due to lack of a center referee.

XII. BAYSA MODIFICATIONS TO THE LAWS OF THE GAME

The Rules of Competition for BAYSA shall be the International Laws of the Game as published in the current issue of the "*Laws of the Game and Universal Guide for Referees, USSF Supplement*" as authorized by the International Football Association Board with the following modifications for BAYSA youth competitions. Those portions of the laws not discussed in the following sections have not been modified. Some of the laws listed below have not been modified, but are repeated for emphasis.

A. Law I: The Field of Play.

The appendices of this handbook show typical field layouts with minimum and maximum dimensions. Deviations should only be made to accommodate specific field situations. Clubs shall mark a spectator restraining line approximately 6-feet off each touchline.

B. Law II: The Ball

The balls used in all competitions shall be as follows.

Division	Size #	Circumference	Weight
U-19 thru U-13	5	27"-28"	14-16 oz.
U-12 thru U-9	4	25"-26"	11-16 oz.
U-8 thru U-4	3	23"-24"	8-10 oz.

C. Law III: Number of Players.

A match shall not be considered valid if there is fewer than the minimum number of players on either of the teams. Ejected players cannot be replaced to meet this minimum. No less than the following number of players must be present in a game:

Division	Number of Players
U-19 thru U-13 (11-aside)	No less than 7
U11-19 BAYSA <i>Spring</i> (6v6)	No less than 4 (Refer: BAYSA – XII.I.1)
U11/12 (8v8)	No less than 6
U-09/10 (6v6)	No less than 5 (Refer: BAYSA – XII.J.3)
U-07/08(4v4)	No less than 4
U-06 (3v3)	No less than 3

Substitutions (freely and without limitation) may be made with the permission of the referee, as follows:

1. Throw-in in your favor.
2. By either team at a goal kick.
3. By either team following a goal.
4. By either team when the referee stops play for the substitution of an injured player.
5. By either team at half time.

Substitution by one team at any of these times does not automatically give permission to the other team. This permission must be specifically given to each team by the referee. No substitutions shall be made during corner or penalty kicks. However, one of the field players may change places with the goalkeeper, provided that the referee is informed before the change is made. The referee must be made aware of all goalkeeper changes, even those that occur at half time.

D. Law IV: Player Equipment.

All players are required to wear a uniquely numbered jersey of a color matching (or similar to) that being worn by their teammates. This jersey shall be numbered with 6 to 10 inch high numerals and be worn by the same player throughout the game. Unless approved by BAYSA Executive Board, in advance, all teams must be wearing their jerseys by the second regular season game. If, in the judgment of the referee, teams do not have contrasting jersey colors, then the appropriate team shall be required by the referee to change colors. These jerseys shall be marked with unique numbers using “masking tape”, “magic marker”, etc., but need not conform to the above dimensional limitations, or they may be unnumbered jerseys worn over the original jersey. No alcohol, sexually oriented business, or tobacco product advertising will be permitted on player uniforms, and player names are not allowed on uniforms.

All players are required by US Youth Soccer and STYSA rules to wear shin guards in all games and practices that are commercially produced and specifically designed to provide protection to the shins.

No players will be allowed to play with a hard cast, padded, or otherwise. Players using protective devices to gain advantage for themselves or cause danger to another player may be asked to leave the field by the referee. A player sent off in this manner is not ejected and, therefore, may be replaced.

Bandannas of any style may not be worn during any game. Players may not wear bandannas on their heads, legs, or arms.

The goalkeeper shall wear colors that distinguish him/her from other players and from the referee. Goalkeepers should avoid wearing all black jerseys, particularly at the older age divisions.

E. Law V: Referees.

Game officials are normally assigned to all BAYSA games. The assigned official(s) can normally be expected to be at the field 15 to 30 minutes prior to the scheduled kick-off time. If the assigned official(s) does not appear within 15-minutes after the scheduled kick-off time, then a person mutually agreed upon by both coaches may officiate the game. The person agreed upon is the referee with all the appropriate authority of an “assigned” referee.

F. Law VII: Duration of the Game.

Regulation time for all BAYSA sanctioned games shall be:

Division	Regulation Time
U19 thru U17	45 minute halves
U16 & U15	40 minute halves
U14 & U13	35 minute halves
U11 & older (spring 6v6)	30 minute halves
U11 & U12	30 minute halves
U10 & U09	25 minute halves
U07 & U08	4 -10 minute quarters
U06	4 – 8 minute quarters. There will be 2 minute breaks between quarters 1&2 and 3&4; half-time break will be 5 minutes

Half-time interval should be five (5) minutes.

If a championship/playoff game is tied at the end of regulation play, then two complete halves shall extend that game. The duration of these overtime halves shall be:

Division	Time
U-19 thru U-15	15 minute halves
U-14 thru U-9	10 minute halves

If a championship/playoff remains tied after these overtime periods, then the outcome shall be decided by FIFA rules of taking kicks from the penalty mark to determine which of the two teams in the tied match shall be declared the winner. The rules as defined in the FIFA rulebook are to be followed for this procedure. Coaches are advised to be familiar with this procedure. Especially the fact that only players on the field at the end of the overtime are to take part in the taking of kicks. When the final overtime whistle blows, no players are to leave or enter the field.

G. Law XII: Fouls and Misconduct.

Goalkeepers Protection (all divisions). In order to reduce the incentive for dangerous player activity in and around youth goalkeepers, the following provisions have been adopted. Coaches are advised train their players to be cautious in their play in the area of the keeper as the consequences are harsh for minor contact or foul play. Referees have been requested to issue an immediate caution for any and all fouls, intimidating actions, and obstructive movements by attacking players against the keeper. Further, all verbal warnings, "soft" cautions, or the like for these actions should not be used except in the most unusual circumstances.

For U-8 & U-6 Divisions, all fouls will result in indirect free kicks. For fouls committed inside the penalty area, the referee will place the ball at the 9-yard penalty spot for an indirect kick only. For all free kicks, the defending team must stay at least 6-yards away from the ball.

H. Law XIV. Penalty Kicks

For U-8 and U-6 Divisions, there will be no penalty kicks during regular season games.

I. **Modifications to the Standard 11v11 (6v6) Rules:**
U-11 and older General Rules of Play-6v6.

1. Players:
 - 6 players on the field, including a goalie.
 - Minimum 4 players.
 - Maximum number of players per team is 10.

4. Out of Play:

APPENDIX B: ASSAULT ON REFEREES

(Excerpt from the United States Soccer Federation National Referee Program)

What To Do?

Assaults do happen, even to experienced referees. If such assaults are to be stamped out, referees must follow a sensible and consistent course of action that will enable the State Association to punish offenders, and discourage potential offenders from acts of violence. A referee should react to an assault in a manner that will permit administration and enforcement agencies to do their job.

If An Assault Occurs:

1. Never strike back, if such action can be avoided. Defend yourself as passively as possible. When a referee is attacked, the majority of players and bystanders are automatically sympathetic towards him/her, even if they were previously hostile. If the referee chooses to fight back, he/she stands to lose the support of and calming influence to these people. He may also prejudice his own legal position.
2. Try to remain calm and move away to a more secure area. Maintain a standard of behavior befitting a professional referee. Remember that maintaining self control is the best way to get the situation back under control.
3. Get the details down on paper (when things are under control).
 - a. Note the player's number and obtain his name from the team captain or coach if necessary.
 - b. Send him/her off if possible. If not, advise the captain of your decision, and be prepared to abandon the game if the player is not removed completely from the scene.
4. Obtain witnesses. Consult your linesmen, if any, or any neutral bystanders. Obtain names and telephone numbers. Use other players only as a last resort. Do not concern about holding up the game. Common assault is a criminal offense and must be treated seriously. Make notes to be sure that your subsequent report is accurate. After the game, discuss the incident with your witnesses. This is legal since no charges have been laid at this stage. Get your facts right.
5. Seek medical attention if you are injured. Go to the nearest hospital emergency room or trauma clinic. The medical personnel will not only be able to treat any injuries, but also document them for the record.
6. Upon returning home after the game, contact by telephone the President of the State Association, and the State Referee Administrator. Those individuals will then be aware of the incident, and will be in a position to give you immediate support and advice. You are probably still quite upset, so take all the help you can get.
7. Write a misconduct report. The report must be professional, precise, and informative, not too brief or not too long, but accurate. The report is sent to the State Association, the league under whose control the game was played; and the state referee administrator.
8. In the event that the assault is serious enough for you to consider filling civil action with the local authorities, you do have that right, however, you must inform the State President of your intent to do so.

Referee Assault Terms

Referee Assault. The act of any physical violence or personal attack upon a referee, his equipment, or property (including his vehicle) and the threat of assault by raising a clenched fist or hand holding any object that could be used as a weapon or by verbally threatening a referee, or any member of his family, with assault shall be deemed a

"Referee Assault" under the terms and conditions of the United States Soccer Federation Rule 1108.

Physical Violence and Personal Attack. Shall include, but not be limited to, such things as hitting, kicking, pushing, slapping, choking, spitting at or on, grabbing a referee's personal equipment such as red or yellow cards, notebook or whistle, or knocking any such item out of his hand, and the act of throwing any object at a referee, such as rocks, dirt, a stick, pipe, can, shoe, or throwing or spewing any beverage at or on a referee, or in his vehicle.

Verbal Threats. Remarks that carry the implied or direct threat of physical harm and therefore cannot be ignored or overlooked by any official concerned with his or his family's personal safety. Verbal threats include remarks such as: "I'd better not find out where you live" and "You'd better watch out for your kids!"

Referees. As used in this section, a referee is a game official who is registered with the United States Soccer Federation to officiate any game under the jurisdiction of the United States Soccer Federation.

Report of Assault. All referees shall, by the next "business day" (Monday, if the incident took place on a weekend) following a referee assault, notify by telephone the State President and State Referee Administrator and follow up with a complete written report filed within 48-hours. The report should be accompanied by written reports from the linesmen (if used) and by copies of any game misconduct reports sent to the league under whose jurisdiction the match was played.

USSF Summary of Report-Writing Procedures (Jack McCabe, National Referee Committee)

1. Misconduct reports, must cover the following and must state only the facts:
 - a. The team names as listed on game card,
 - b. The date and time,
 - c. Location of assault,
 - d. The competition (example: Boys U16 Super 2),
 - e. Player's name, initial, number, team, and include color of uniform if not clear of team,
 - f. Reason for reporting (i.e., violent conduct, serious foul play, etc.)
 - g. Action taken, and
 - h. Incident (i.e., a description of what the player actually did). Only the facts.
2. The incident must be:
 - a. As you saw it (there is no substitute for the facts).
 - b. Brief, but containing enough evidence and information to enable the Disciplinary Committee to understand what happened. This description would include the reaction, if any, of the player(s).
3. Make certain that your linesmen have all the above detail before you leave the ground.
4. Send your report to the following:
 - a. General cases: Local Soccer Association, Local League
 - b. Referee Assaults: State Soccer Association, Local League, State Referee Administrator, the relevant police department (if necessary).
5. Check your spelling. Almost every important word you will need to use is in the law book. Remember, a copy of your report may go to the club concerned.
6. Finally, check your report for the above items and then make certain that you have your name and address on it. Send the report within 48 hours, not next week. Remember - retain a copy of the report for your future reference.

Violence in any sport is not acceptable and can lead to total destruction of the sport. When the violence involves the spectator he/she will eventually be driven from the stadiums, when it is committed against a player he/she may decide to give it up, but when it is aimed at a referee, who is the only true authority of control, then all respect for the game is lost. There can be no greater insult to the game, than the assault of a referee and this desecration must be driven from the game. It is the hope of the National Referee Committee that this guide will assist in the removal of such terms as Assault and or Violence forever from the game of soccer.
